SAFETY ALERT

Unexploded Ordnance (UXO) CAN KILL YOU

DON'T BE PUDIN HEAD
UXO ARE NOT SOUVENIRS

DO NOT TOUCH IT!
CONTACT YOUR EOD TEAM IMMEDIAELY

Your negligence could lead to your or others death!

- **Keep ammunition, explosives, and expended brass and links separated.**
- **Leaders ensure you have an effective amnesty program for ammunition and explosives.**
- **NEGLEGENT DISCHARGES? What are YOU doing to prevent them?**
- **Mine Found in Amnesty Box. Whoever moved it is lucky to have a hand (and a head). You also set up EOD to lose an EOD Tech.**
